Fencers and Parents,

You are invited to the Bath Schools Foil & Sabre competition, run in association with Bath Sword Club.

Competition details

All events will take place at **King Edwards School, Bath, BA2 6HU**. The Competition will be run on **Sunday 26th March 2023.**

Junior (year 6 and below) events will be run with Foil event check in closing at 09.30, followed by Sabre at 14.00.

Senior (year 7 and above) events will be run with Sabre event check in closing at 09.30, followed by Foil at 13.30.

Presentations will immediately follow each event. There will be 1st, 2nd, joint 3rd medals, and an overall school trophy for each event.

Please arrive half an hour before start time in order to check in and allow us to help get any borrowing of kit sorted. Please also note that as this is a competition for newer fencers and the format of the day will be just two rounds of poules. Results of first round will determine places for second round, and final ranking taken from second round. No Direct elimination fights.

This is a chance to put into practice all the skills you have been learning over the last few terms at your school clubs, as well as meet new fencers from other schools. This is a fun school invite competition.
