Coach-Education Course – levels 1 and 2 all weapons and level 3 training

The South West Regional HUB and Millfield Fencing Courses will be running level 1 and 2 coach education courses with assessments alongside the Millfield Pre-season training Course. Coaches who already have a level 2 but wish to train and hone their skills at a higher level are also welcome but we cannot, as yet, offer an assessment at level 3. This is not a drawback to improving coaching as participants can concentrate on their skills without an assessment looming over them!

This summer will be our third year of offering this opportunity to gain a 'Level 1 or 2' British Fencing Association coaching award. (Last year saw 14 gaining qualifications at various levels)

Prof. Bob Bales, will once more by delivering the course. Bob is a senior three weapon master and an accredited coach-educator/tutor up to level 5.

All three weapons will be offered on the course, an assessment of what level one should be going for will be made by Prof. Bales during the early stages of the week long programme.

The fee for the course is the same as the Millfield summer performance course -£450. This includes accommodation and food as well as all the administrative costs of registering candidates and obtaining manuals etc.

The cost is reduced for those not wishing to use accommodation and reduced again for those wishing to bring their own food for the day. (please contact Tristan directly to discuss these arrangements).

If you wish to attend please fill out the form and send it to
