www.kingshalltaunton.co.uk

Coaches: Csaba Hajdu, Nat Lewis and Jaqui Besley
Cost: £80
All abilities welcome. Age 8 -14

Includes: Beginners and intermediate foil, epee and sabre, past international fencers, electric fencing, competition fighting, games and swimming. Kit provided. Children will need to bring drinks and snacks.

Csaba Hajdu will be coaching foil, epee and sabre. Csaba is from Hungary, which has always been one of the world's leading countries in fencing, with their coaches being highly sought after for their expertise and unique technical fencing skills. Csaba has studied under the world famous Hungarian Master, Professor Lukovitch, and his energetic and professional approach will enable all fencers to make good progress over the duration of this course.

Nat began his fencing career at the age of nine and fenced competitively for over 11 years reaching a very high standard in his chosen weapon 'sabre'. He was a member of the Great Britain Cadet and Junior Squad for many years, attending not only numerous World Cup events, but qualifying for two World Championships representing GB at both European Championships and Commonwealth Games.

In 2014 Nat was selected by British Fencing to attend an International Sabre Coaches course in Budapest, Hungary.

Jaqui competed internationally in foil for over 10 years starting out in an England U12 team and then as a member of the Great Britain Cadet, Junior and then Senior teams, culminating with a Commonwealth Bronze medal in 1992. As a coach, Jaqui has set up and now runs the King's Hall fencing club as well as supporting local clubs.
